

PRESS RELEASE

Merthyr Builders' Merchant step up for charity

Robert Price Builders' Merchants take part in fundraising walk for breast cancer.

Eight members of staff and four of their friends from Robert Price in Merthyr took part in the 9th In The Pink Brecon – Monmouth Canal Walk on Sunday 16th May 2010.

Wearing pink t-shirts, garlands, wigs and hats, the Merthyr team set off on their eight mile walk from Talybont-On-Usk at 1.00pm and joined the finishing party at The Rectory, Llangattock at 4.15pm.

The team included both amateur and seasoned walkers meaning after effects were suffered in varying degrees.

Ian Shillabeer, branch manager said "I am so pleased that the staff members and their friends were so keen to join in this event. The charity is very close to our hearts here in Merthyr, with a number of us having had recent experience of the illness in one way or another. The blisters and aching muscles were definitely more than worth it."

The Merthyr team are very grateful to all those that supported them and helped to raise approximately £500 in total.

Ends.

Looking pretty in pink
