

PRESS RELEASE

Merthyr Merchant holds strawberry fundraiser

Robert Price Builders' Merchants hosted a strawberry tea event in their beautiful Merthyr kitchen and bathroom showroom last Thursday in aid of Breast Cancer Care.

Guests were invited to enjoy strawberry cakes, strawberry tea and pink champagne whilst they enjoyed cookery demonstrations by NEFF and viewed the latest in kitchen and bathroom designs.

Sally-Ann Evans of *In The Pink*, launched her new charity single "It Will Happen" which is also being sold to raise funds for the cancer charity.

All the staff in the builders' merchant joined in the spirit of the event, with drivers and counter staff all sporting pink t shirts for the day.

Ian Shillabeer, branch manager said "I am delighted to see so many people join us for this fundraising event. All the team here in Merthyr branch have enjoyed working on the day, it has been a really fun way to raise money for a very worthy charity."

Pupils from Pen Y Dre School sent a donation of £10.00, and the event raised a total of just over £500 in total.

Ends.

All staff joined in the spirit of the event
