Press Release. For immediate release.

**Robert Price Builders' Merchants provide paint for West Monmouth School initiative.**

Robert Price, the largest independent builders' merchants in South Wales, have donated over one hundred litres of paint, to support a maintenance initiative at West Monmouth School in Pontypool.

The paint will be used to rejuvenate the corridors throughout the science block, helping to enhance the learning environment. Staff and pupils at the school have volunteered their time to carry out the work, which will involve preparing and painting over 800 square meters of wall, across three floors.

The Head Master of West Monmouth School, Mr Clive Jackson, commented: "I am very pleased with the spirit and pride shown by our volunteers. Without their support, and the support of companies like Robert Price, we would not be able to carry out this type of project."

Robert Price have two branches in Pontypool, one builders' merchants on Rockhill Road, and a roofing specialist at Clarence Corner.

Paul Taylor, manager of the builders' merchants commented: "It is nice to be able to support the local high school, especially as a large number of our customers were once pupils there."

Peter Bullen, who works at the roofing merchants, went on to say: "This is a great opportunity to give something back to the local community. West Monmouth School is one of our nearest neighbours, so when we heard about this initiative, we were keen to support it."
